### Personal Statement

I have 15 years experience in providing professional Assistant Direction services for numerous local and international Feature Films, TVC's, TV Dramas and Short Films. I thrive in providing a high quality service and maintaining a professional and safe working environment in a positive fun respectful manner. I hold a class 1 and 2HT drivers license and an up to date New Zealand Passport and am always ready to hit the ground running.

Having experience, being self motivated, reliable, flexible, resourceful, a strong leader and working in team environments being able to relate to a wide range of people are some of my strongest attributes. My communication, coordination and organizational skills are excellent, speaking Japanese and being comfortable in working in an urban environment as I am the snow on the ocean or in the wilderness.
