I have worked in the camera department since 2007, working on a range of projects from TV Series, feature films, commercials and music videos. I have worked with a wide range of formats and cameras from 16mm, 35mm, Large Format, Sony Venice, F65/55, RED Monstro / Epic, Panavision DXL2, Genesis, Arri Alexa, Amira and Mini, Pace 3D cameras, Phantom, Varicam and Canon. I have worked throughout New Zealand and the Pacific Islands in some incredible and challenging environments. I am experienced in Steadicam, Movi / Ronin Gimbals, Underwater filming, rigging cameras on to cranes, cable cams, tracking vehicles etc. I also spend a lot of my time studying the cameras and its accessories, so I can be on top of my game when working in all sorts of environments.
