History

I have worked in the Film industry for 20 years. Beginning in Ireland in the 90's, I moved to New Zealand in 2001 and as a Camera Assistant, worked on films such as *Avatar*, *X-Men Origins- Wolverine* and *The Chronicles of Narnia; The Lion, The Witch and The Wardrobe*. I began working as a DOP in 2013. My first years were full of music videos with many winning awards, including Best Music Video at Show me Shorts 3 years running, 2014,2015,2016.

Since then my focus has been on drama. I have lensed many Short Films with *Thicket* winning Best Short Film of 2017 at NZ IFF and *Golden Boy* being selected as The Best of 2019 at NZ IFF.
