INBRIEF

I am a steadicam operator from in Auckland, New Zealand.

My work includes local and US Features and Cable shows, Local Dramas, commercials as well as numerous short films and Music clips.

I can confidently work within traditional dolly or hand-held shooting styles as well as the steadicam, remote heads, stabilizers and high-speed camera techniques. My roles have included both A and B positions

With 20 years in the industry, I was a Focus Puller for 10 years, working on such features as 30 Days of Night, Underworld 3, Siones Wedding and The Ferryman, and transitioned to operating on the US Cable show 'Spartacus'
