## Personal Statement:

I have over 27 years experience in Film & TVC Production and previous experience in management. I have very strong problem solving and logistics skills & a high work ethic. I'm never afraid of a challenge and always come up with the best solution to any problems. I have very good relationships with crew & equipment providers who all know I work with & expect honesty & integrity. My skills, experience & contacts can save you time & money on your next production.
