## EXPERIENCE

### Production Roles

- Producer/AD on a short film commercial for international camera lens company, Atlas Lens CO. Mercury Series. Duties included liaising directly with the director, managing locations and finding and coordinating extras.
- Produced a 15 minute short film with a 10 person crew and cast. Duties included creating call sheets, managing budgets and organising locations

### Directing Roles

- Wrote and directed a 12 minutes short film with a 15 person crew and cast.
- Studio directed various live news and talk shows as well as a recreation of Shortland Street.
- 1st AD on various short film sets.

## SKILLS

Through my work in multiple roles on a film set, I have learnt how to work well under pressure and within tight schedules. I also have good communication skills, and have used this to organise locations for films, schedules for extras, and call sheets for cast and crew. I have my full New Zealand driver's licence, have my own car and am first aid certified.
